ATTIRE POLICY

All Items can be purchased at DANCE ZONE in Hectorville!

Students are not given time to fully change outfits between back-to-back classes. If your dancer has Ballet, they must arrive in their Ballet attire and remain in it for their other classes that day. They may add items such as shorts or a T-shirt over their Ballet attire between classes. For example, a student attending Ballet followed by Hip Hop may add streetwear over their Ballet attire for Hip Hop.
